

Mission: Family Focus invests in strengthening families and their children in Chicago and Northeast Illinois so they build social capital and achieve upward economic mobility through high-quality innovative programs and services, grounded in anti-racism and social justice.

Programs and Services

Early Childhood Education

Services for parents with children from 0–5. Programs include high-quality center and home based services guided by evidence-based curricula designed to support a child's development and kindergarten readiness.

Family Support

Programs and services for parents of all ages and stages, including immigration services & support for families involved with the Department of Children and Family Services.

Youth Development

Education resources and mentoring for school-aged young people to support academic engagement and social and emotional development.

In FY2022, Family Focus served 5,315 children and 3,001 adults

Enrolled in direct services. **An additional 10,000 served** with coordinated intakes, information and referrals.
